

Sean McDermott

Genesee County's 6th County Commission Seat

Moving Genesee County Forward

Roads:

- Audit of Road Commission projects to provide accountability for funding.
- Fund the 60/40 and 50/50 cost sharing local road project program.
- Push for Road Commission reform to safeguard against current favoritism of projects in the City of Flint.

Economy:

- Create public-private partnerships in developing an alternative fuel infrastructure. Work to bring ethanol and hydrogen production facilities along with refueling stations.
- Work with our businesses and universities to find funding resources through grants at the federal and state levels.
- Invest in new technological education training programs to help create a more competitive work force.
- Build off of the success of surrounding areas to develop a strategic marketing campaign to attract businesses to the Genesee County area.

Prisons:

- Utilize work release facility instead of current practice of sentencing with no jail time.

EXPERIENCE:

Former Fenton Township Trustee

Attorney in private practice for 13 years

Small Business Owner of Title Insurance and Escrow Company

EDUCATION:

B.A. in Political Science, History, and Spanish- Kalamazoo College

J.D.- Thomas M. Cooley Law School
